Outremer 51

Outremer 45

Multihull Central are one of the fastest growing yacht brokerages in Australia, selling more than \$17million of boats in 2015 and nominated as an Australian Business Champion Finalist. We specialise in selling cruising catamarans and have collectively over 100 years of experience amongst our team of expert multihull sales agents and marketing staff. Our team share a passion for the sea, the benefits that multihulls bring and most have years boating experience onboard their own multihulls. However one thing they also share, is a flare for sales and marketing, each with a history in very successful businesses and professions of their own and together, we continue to strive for innovation and results.

With an office in Manly Harbour, QLD and Sydney Harbour, NSW, Multihull Central run the only purpose built multihull marina in the country with an onwater showroom of new and used catamarans. We also have sales agents established in Melbourne, Perth and the Gold Coast, plus a partnership with a team of sales agents in New Zealand. With a database of over 25,000 contacts and 1,500 multihull owners, we are highly efficient in sourcing buyers in the toughest of markets and are renowned for achieving strong resale results in better than average selling times. In fact, **in a recent global report into average boat selling times, Multihull Central sold boats more than a month faster than the global average.**
