

Longreach 58 – 800Hp - “Long Range at Speeds to Delight!”

Due to the unique attributes of a full displacement powercat hull design, it is possible to have both speed and range, something unheard of in monohull designs or semi-displacement catamaran designs of the same size.

Improving on 20+ years in this unique space of power catamaran yacht-building, Australian master builder James Dewing of Powerplay Yachts has collaborated with the experienced Catamaran focused team at Multihull Central in Australia to produce the Longreach family of Hi-Performance-Long Range Power Catamarans, proving you can have the best of both worlds. Range and Performance!

The full displacement low drag, soft riding slender hulls, have docking keels for safe grounding and protection of the running gear. The Longreach family are constructed using [AIREX® C70](#) closed cell, cross-linked polymer foam & [SWANCOR 901 Bisphenol A](#) type epoxy vinyl ester resin. This combination provides excellent fatigue resistance against high heat distortion while delivering superior stiffness and strength to weight ratios, increased toughness and all backed by a 5 year construction warranty. Longreach yachts are handcrafted, customizable & available in any Awlgrip hull color.

Reliable and proven Yanmar propulsion economically delivers extra-long range in comfort and security. Large open cockpit with liveable salon with chef’s galley, elegant, sumptuous furnishings with a King size bed in the master cabin and owner’s private ensuite. Standard equipment is a comprehensive Mastervolt and Czone power management system with Lithium battery power and featuring fully integrated reverse cycle aircon throughout. Large & roomy guest cabins also with their own private ensuite. Panoramic flybridge with spacious liveable areas and direct access to the foredeck where a casual beach club atmosphere is provided in the sunken lounge area. Aft cockpit featuring lifting platform for divers’/swimmers and RIB stowage. Dedicated dive tank secure stowage with easy access to the sea toy stowage above. Enjoy long range, low impact, economical, safe and secure passage making in comfort, at speeds to delight.

"Be there first and stay longer!"

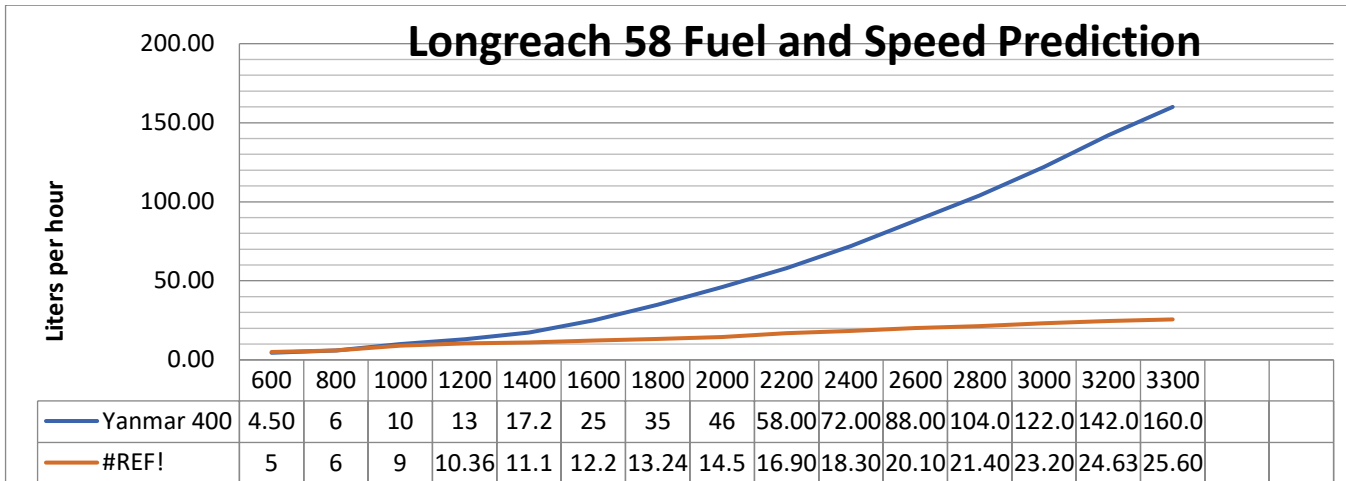

Specification and Certification CE Class A with Lloyds Scantlings

Length overall	17.60m (57.74ft)
Length on deck	16.40m (53.81ft)
Beam overall	7.60m (24.90ft)
Draft (Full Load) with props protected	1.2m (3.94ft)
Bridge deck clearance (Full load)	0.9m (2.95ft)
Air draft overall height from DWL (Full load)	6.600m (21.65ft)
Displacement Light Ship	22,000 Kg (48,400 Lbs)
Displacement Full Load	28,000 Kg (61,600 Lbs)
Fuel Weight	5,600 L x .84 = 4,704 Kg (10,371 Lbs)
Fuel main tank capacity	2 X 1500 L = 3000 L (793 USG)
Fuel reserve tank capacity	2 X 1300 L = 2600 L (687 USG)
Fresh Water Capacity	2 x 900L = 1,800L (475USG)
Black & Grey Water Holding Tank Capacity	2 x 180L = 360L (95USG)
Engines x 2	Yanmar 6LY 400Hp
Top speed Light ship	25 Knots
Range with 26,000Kg @ 10 Knots	4000Nm (10% Reserve)
Range with 26,000Kg @ 12 Knots	2000Nm (10% Reserve)
Range with 26,000Kg @ 20 Knots	1000Nm (10% Reserve)

Greater range may be achieved at lower cruise speeds in fine sea conditions. Alternating single engine power every 4 hours may increase range by 30%. Results based on Powerplay 52 performance and “Yanmar 6LP STP” published fuel and power results. All performance figures are predictions and will vary depending on sea conditions and load

ELECTRICAL – as per drawing

House Batteries	4 x Mastervolt MLI Ultra 24/5500 Lithium Ion
Cranking Batteries	1 x Mastervolt AGM 160A/hr AGM per Engine
Yanmar Alternators	2 x Standard 120 amp/hr cranking battery charge
Mastervolt Alternators	2 x Mastervolt 28/150Ahr for house battery charging
DC System	12v Standard DC system BEP switch panels
AC System	220v or 110-208v 60HZ VAC System BEP switch panels
Inverter/Charger	2 x Mastervolt Mass Combi 24/3500 - 100
Air Conditioning	Fully Integrated Puremind Reverse Cycle 60,000Btu
LED lighting including navigation	8 x deck, 10 x switches white, 4 x flood, aft and foredeck Electrical sockets 6 x power points, Saloon-2, Galley-2, forward cabins-2, Aft Cabin-1, Flybridge-1 Master cabin-3 all with USB and 4 Underwater lights
Shore Power	2 x 32 or 50 amp. inlets port side, isolators & RCDs
Solar Power	4Kw 12 x Solar panels, with 3 regulators
Wiring Specification	AS 3000, marine grade tinned wire (Tricab)

PLUMBING

Plumbing system	"Whale Quick connect" plumbing system
Fresh water pumps	2 x 12 volt Whale pressure pumps
Hot Water	2 x 110volt Quick 40 litre electric
Holding Tank	2 x 180 litre tanks with manual shut off
Bilge Pumps	One each hull with deck pump-out
Water Supply	4 each hull, 4 x electric auto/manual, float switches & non return valves and 2 x manual double action pumps
Desalination	Fresh hot & cold with dockside pressure fitting port Stella Watermaker 160Gphr or equivalent
